

Lizard Island Sportfishing

Lizard Island is located on the far northern coast of Queensland. It is an extremely remote island, which has been made famous due to the numbers of 1000lb plus black marlin that spawn in the waters around the island between September - November each year. However, for those interested in sportfishing at Lizard Island, for GT's, dogtooth tuna, coral trout, spanish mackerel and all of the other coral reef critters, there is an entire untapped fishery awaiting your discovery. Many of the reefs to the north of Lizard Island have never seen a popper cast at them such has been the focus on marlin fishing over the years.

Trip Details

The GT fishing, jigging, flyfishing and general sportfishing at Lizard Island is conducted from our 80ft Mothership and 2 x 36ft sportfishers, as well as our 2 x 18ft guided centre console sportfishers. On our GT and sportfishing trips at Lizard Island, we cater for a maximum of 12 anglers fishing between these 4 vessels.

The fishing for GT's spanish mackerel, coral trout, dogtooth tuna and red bass is superb in these areas. Big GT's, up to 50kgs, and lots of them can be expected while popper fishing, and spanish mackerel around 25kgs are a common catch. Deep jigging the outer edge of the northern barrier reef also produces lots of doggies between 30-70kgs.

Dates available for 2008

- 12th-19th October
- 19th-25th October
- 25th-31st October
- 31st October - 6th November

Cost - for 5 full days/6 nights

Lizard Island Sportfishing

Why you need to do a Lizard Island Sportfishing Trip.

1) Our number one priority is providing you with simply the best fishing trip available. We aim to do this by using the latest technology in boats, tackle, techniques and equipment, combined with spectacular locations, outstanding customer service and great value for money.

2) There are very few people who have ever fished the reefs to the north of Lizard Island, and you will be amongst the first to visit most of the reefs we fish at. These reefs simply have never received any fishing pressure, and there are so many of them, that the fishing is simply untouched.

3) We are the most experienced GT fishing and deepwater Jigging charter operation in Australia. We are on the cutting edge of tackle and techniques. The manufacturers of the worlds best tackle choose to fish with us to test their gear.

4) You'll be fishing these reefs in total comfort aboard our 80ft mothership and 2 x 36ft sportfishing vessels and 2 x 18ft centre consoles. You will be able to access every fishing option available due to the combination of boats available. From chasing GT's right up into the shallows, through to jigging for dogtooth tuna on the outer edge of the Great Barrier Reef.

5) We only fish this area for 4 weeks each year. This means that each reef receives minimal fishing pressure, and combined with our catch and release principles provides the basis for some simply unbelievable fishing action. When you visit a reef it is most likely that we will not have done a block of trips there for a year previous, and at Lizard Island, there most likely has not been anyone else there for a year either, such is the remote nature of the area.

Lizard Island

Sportfishing

Likely Species

Dogtooth Tuna
Giant Trevally
Coral Trout
Spanish Mackerel
Maori Wrasse
Red bass
Wahoo

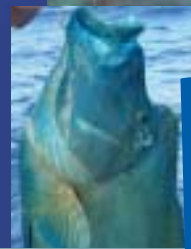

black marlin, green jobfish, barracuda, bluefin trevally, diamond trevally, cod, rosy jobfish, red emperor, red throat sweetlip, painted sweetlip and many many more reef species. This is some of the most amazing popper fishing, jigging and sportfishing available.

Where we fish

Subject to weather conditions, we may be able to access the remote area of Osprey Reef, located 60nm out in the Coral Sea, out from the edge of the Great Barrier Reef. This option is subject to group discussion, and weather conditions.

However, the reefs located to the north of Lizard Island provide the ability to fish some of the most remote parts of the Great Barrier Reef, and the fishing at all of the reefs around Lizard Island is exceptional.

We specialise in offering personalised service to small groups of 12 anglers in search of a truly unique fishing adventure. Our crew of 7 will ensure that your every need is catered for and make this a most memorable experience. Our expert crew and personalised service are something we are renowned for and very proud of.

 Signed _____ Date _____

By completing this form you have formally advised Nomad Sportfishing that you intend to join one of the Adventure trips to the Lizard Island in 2008, the dates as indicated above. Once you have sent this form back, a deposit of 50% of the total trip amount will be payable to reserve your place on these trips. Please fill out the deposit details above or contact us for bank details if you require a direct transfer. Deposits are non refundable, but we will allow you to transfer the date of your trip if there is a legitimate reason. In the case of medical conditions or family emergencies we will obviously make every effort to accommodate your circumstances. Full payment for trips swill be required 4 weeks before departure. Cancellations due to weather or any unforeseen circumstances are possible, but highly unlikely, however we strongly reccomend travel insurance, as we cannot be held liable for any losses as result of a cancelled trip. In the event of a weather cancellation, you will have the option to choose from any other available dates for your trip. We also reccomend medical insurance to cover you in the event of a medivac by plane from Lizard Island.

Credit card transactions will incur an additional fee. Please ask us about this fee, but the maximum fee is 3.2% for AMEX cards This is charged to us by the credit company. International transfers will incur additional bank fees, and these will be deducted from the received amount.

Due to the uncertainty of world oil prices, we are now having to charge a fuel levy on charters if the price of fuel changes too dramatically. If the price of diesel or unleaded fuel goes over \$1.50/litre local price in Australia, we will be charging \$75/person for every 10 cents over \$1.50/litre. You will be notified 4 weeks before your trip if this levy applies.
