The Fishing

We have a proven track record of providing our guests with some of the best sportfishing action available anywhere, and you'll find more of the same on these trips. The types of fishing you can do are as follows:-

- GT Popper Fishing
- Light and Heavy Tackle Marlin fishing
- Light jigging and soft plastic fishing
- Light tackle trolling
- Reef Fishing

The species you are most likely to encounter on these trips are GTs, spanish mackerel, coral trout, black marlin, sailfish, dogtooth tuna, red bass, red emperor, sweetlip, and a whole host of other reef and pelagic species. The variety of species also depends on which location you choose.

Fishing Tackle

We supply top of the range Shimano stella and torsa reels and Shimano rods for use on all trips. All lures and terminal tackle used can be purchased from our onboard tackle store.

Trip Inclusions and Departures

All rods and reels (replace if lost), all non-alcoholic beverages, all meals and linen onboard are all provided. Departures for trips will be from either Mackay Marina, Cairns or Cooktown, depending on the time of year. Exact trip availabilities are listed on our rates and dates page on the website.

The 51ft Riviera "Fascination"

This boat has been purpose built for long range liveaboard sportfishing trips, and whether it is GT fishing from the massive bow, or trolling for giant black marlin, this boat will take you there in comfort. There are too many features to list on this boat, but there is a 3 berth cabin with private ensuite and another 2 berth cabin with shared ensuite available for guests. As well as being put onto the fish, you can also be sure of a comfortable and relaxing experience with your skipper and deckie on this magnificent vessel.
