

Notes:

- Bunk in Bridge area to be 2 x 750 wide fold up bunks. Back rest from lower bunk creates fold up top bunk
- Desk in bridge to have 2 drawers built in underneath desk
- Chest Freezer to have laminate top over it so it can be used as chart table. This top is to be fold up/removable so it can be opened occasionally.
- Storage to be included underneath dash in the form of cupboards and a chart drawer, and 3 other drawers for manuals ect.
